Ahmedabad. As the deadline for e-invoicing adoption approaches for GST registered businesses with a turnover of 5 crore and above, Tally Solutions is geared up to assist these businesses in smoothly transitioning to and efficiently managing e-invoicing through its comprehensive and integrated solution - TallyPrime 3.0. The company is diligently engaging in extensive efforts to educate businesses across Ahmedabad about the necessary amendments to ensure their continued compliance with the regulatory requirements. Tally has been at the forefront of driving e-invoicing adoption since 2020. To assist MSMEs in seamlessly adopting these new regulations, the company has launched a 360-degree educative campaign in Ahmedabad. This campaign aims to help over 211239 businesses in Ahmedabad to understand the implications of e-invoicing, e-way bill, audit trail, and the role of technology in facilitating a smooth transition while enhancing business productivity and profitability.
