

Škoda Auto Indiarings in the festivities with new variants of the Kushaq and Slavia

Trichy: Škoda Auto India, makers of the safest, highest-rated, crash-tested cars in India, have announced two new product actions with the Kushaq Onyx Plus and the Slavia Ambition Plus. Both variants feature festive pricing, attractive new exchange benefits, and special corporate plans, all for a limited period. The Kushaq Onyx Plus boasts all-new R16 Grus alloys and a Window Chrome Garnish. The front grille ribs and the trunk garnish at the rear are now finished in chrome. The Onyx Plus will be powered by the 1.0 TSI engine mated to a manual transmission. The Kushaq Onyx Plus is priced at Rs 11.59* lakh and will be available exclusively in Candy White and Carbon Steel colours.

The Slavia Ambition Plus is adorned with a Chrome Package for the front grille, lower door, and trunk garnish. The car will feature an in-built dash cam and is available in all-existing colour options. Like the Kushaq Onyx Plus, the Slavia Ambition Plus will also be exclusive with the 1.0 TSI engine.

Customers can choose between a 6-speed manual and automatic transmission Options. The Slavia Ambition Plus is available at special festive price of Rs 12.49* lakh. Based on the made-for-India, ready-for-the-world MQB-A0-IN platform, the Kushaq and Slavia are part of the company's India 2.0 project and have been instrumental in Škoda Auto India having its Biggest Year in 2022.

These cars have earned full 5-stars in the Global New Car Assessment Programme (GNCAP) for both adults and children. This is the only made-in-India platform to have achieved the feat, that too under GNCAP's newer and more stringent test protocols. With the full 5-stars under GNCAP for the Kushaq and Slavia, and the same score under Euro NCAP for the Kodiaq luxury 4x4, Škoda Auto India has a 100% fleet of crash-tested cars rated 5-stars for adults and children.

AWARENESS NEEDED TO BRIDGE THE GAP IN EYE DONATION AND REQUIREMENT : DR AGARWALS EYE HOSPITAL

Chennai: The National Eye Donation Fortnight observed annually from August 25th to September 8th, highlights the urgent need for eye donations in India. To mark National Eye Donation Fortnight 2023, Dr. Agarwals Eye Hospital, Chennai organised an eye donation awareness event at its hospital premises today. The esteemed Chief Guest for the occasion was Mr. Samay Singh Meena, IPS Deputy Commissioner of Police - Traffic, Chennai East. Dr. Agarwals Eye Hospital has consistently ranked among the top 5 eye banks in India and is the second-highest performing eye bank in Tamil Nadu. Dr. Athiya Agarwal, Director of Dr. Agarwals Group of Eye Hospitals delivered an impassioned speech during the event, stating, "The gift of sight is unparalleled. Eye donation has the power to transform the lives of individuals suffering from corneal blindness, and it represents a lasting legacy of compassion and generosity. Donating one's eyes isn't just a procedure; it's a gift of eternal vision." She also informed that Dr. Agarwal's about eye donation and expand the infrastructure of eye banks and research centers to facilitate more donations. Additionally, when eye donations cannot be used for transplantation, they are channeled towards research and education, contributing to advancements in understanding various eye conditions. s Eye Bank has been committed to promoting eye donation and collecting corneas since its inception in 1957. However, it is crucial to raise awareness

"To date, the hospital has successfully transplanted over 40,000 corneas to individuals in need, with 40% of recipients belonging to economically deprived backgrounds. This represents a small yet significant step in the fight against corneal blindness", Dr. Athiya added. Dr. Preethi Naveen, Senior Cornea Consultant and Medical Director of Dr. Agarwals Eye Bank emphasised the significance of eye donation. She explained, "All over the world, there are about 40 million people who suffer from visual impairments. A massive 8 million of them live in India out of which 1.3 million of them have lost sight due to corneal blindness. To prevent this loss of vision, hospitals require about 1.3 lakh corneas per year." Talking about recent advances she explained, "Through the advanced surgical technique that are available, one cornea can be separated into multiple layers by which one pair of eyes can give vision to four people thus restoring vision in many needy patients." Additionally, she conveyed that Dr. Agarwal's Eye Hospi-

tal stands as a leading institution providing the exceptional Pre-Descemet's endothelial keratoplasty (PDEK) procedure, wherein 25 microns of a single corneal tissue is transplanted in the patient, which propels visual recovery, in an individual within a short period post-procedure transforming their life, she added. Chief Guest Mr. Samay Singh Meena, IPS, Deputy Commissioner of Police - Traffic, Chennai East, expressed his support for the cause, stating, "I am honored to be part of this significant event, raising awareness about eye donation. It's our collective responsibility to pledge our eyes and bring light into the lives of those in need. Let's work together to eliminate corneal blindness from our society." The event also featured the heartfelt gratitude of a recipient's family, who emphasized the immeasurable impact of eye donation. Their loved one's corneal transplant had transformed their life, and they expressed eternal gratitude to the selfless donor and their family for this incredible act of kindness.
